

PDT Engine System Retrofit Sales Agreement

The 668 HP PDT Engine System comes complete with Engine and engine mounts, Alternator, TCF reservoir, TCF separator, TCF recovery reservoir, Oil filter, Oil reservoir and cooler/heat exchanger, Electronic engine readout for dashboard.

At present fuel prices payback is projected to be about six – ten months (based on the average of 3000 miles per week at 6 MPG, @ \$2.50 per gal. = \$32,500 payback in 26 weeks of service)

The first 2000 Jadon 668 engines will be equipped with GPS telemetry reporting engine data to PDT Engines Inc. future engine improvements. This will be done at NO additional cost to the purchaser.

The first 1,000, PDT Jadon 688 Engines sold at this introductory rate will be replaced and exchanged at no extra charge with an updated version at the 250,000 – 500,000 miles of use into a vehicle of the owners choice.

Please print out two copies of this contract, fill out and sign both, then send, along with a certified check to:

PDT Engines, Inc.
P.O. Box 631
Anoka, MN 55303

We will sign both copies of the contract and return one to you for your records.

PDT Engine System Warranty:

PDT Engines Inc. 668 Engine System comes with a replacement warranty for 500,000 miles against material and mechanical defects for and is provided at no extra expense. If determined by PDT Engines Inc. that the engine has been abused, tampered with or sabotaged, the warranty is void. No other agreements are expressed or implied by PDT Engines Inc.

Additional Terms and Conditions

1. **Definitions:** As used in this Contract “I” “me” or “my” means the buyer and co-buyer. “You” or “your” means the seller or dealer. “PDT Engine” means the **PDT Engine (s)** described in this **contract** including all the options listed. “**Manufacturer**” means the company which makes the PDT Engine.
2. **Purpose:** By signing this **contract** I agree to and accept all provisions of the entire contract. I also agree specifically to this purchase, which includes; the PDT Engines, delivery and the PDT Engines components (as listed on page 1 of this contract). **Jadon 668 Engines sold as Kits for customer Installation are discussed in paragraph 12.**
3. **Price Changes by the Manufacturer:** I understand that the PDT engine price is NOT installed, and this **contract** is based on the current prices for manufacturer, and that at any time, the manufacturer has the right to raise the price it charges. I also understand that if the manufacturer’s price of production does raise the price, I may cancel the **contract**.
4. **Addendums:** There are to be no other agreement expressed or implied added to this contract without the written and signed consent of all parties involved.
5. **My Refusal to Take Delivery:** If I have cancelled this **contact** pursuant to paragraph 3; I understand that **you** may, at your option, retain the down payment I have given **you** as an offset to **your** damages if I refuse to complete **my** purchase.
6. **Design Changes by the Manufacturer:** I understand that the manufacturer has the right to change and improve the design and specifications of the PDT Engine, its parts or accessories at any time without notice to **me**. In the event of a change in design, **you** have no duty to **me** except to deliver the PDT Engine as made by the manufacturer.
7. **Scheduling:** PDT Engines Inc. expects production of the PDT engines will begin in the first quarter of 2010 with the first deliveries to begin in the order of purchase and corresponding serial number.
8. **Delays in Delivery:** I understand that unforeseen circumstances, by accidents, fires, or other cases beyond manufacturer control, may inevitable disrupt scheduling causing variations in the installation scheduled and I will be notified of the delivery date at least two weeks in advance.
9. **Taxes:** I understand that the price of the PDT Engine system includes Federal Taxes, State Sales, and Excise Taxes and any other tax or governmental fee. I also understand that I must pay **you** the full amount of any sales or excise tax or other governmental fee which applies to this sale.

10. **Vehicle Disclaimer of Warranties:** I understand that I am buying a new Jadon 668 PDT Engine system that is to be installed into my truck. The Vehicle is my responsibility and I come with a manufacturer's warranty which is a promise from the manufacturer of my vehicle directly to **me** and that **you** expressly disclaim any and all warranties, express or implied. 6

11. **The Jadon 668 Engine is sold as a Kit for the customer Installation:** Customer will take delivery of the kit FOB Minneapolis MN unless other wise agreed in writhen contract form. The purchaser assumes all responsibility for liabilities of installation, operation, and workmanship. Kits will retain the same warranty if installed according to instructions provided and the engine is maintained according to specifications. All kit systems must be paid in full, including delivery costs, before shipping.

12. All provisions of this contract shall be interpreted pursuant to the laws of the State of Minnesota. Should any provision be determined to be legally unenforceable that shall in no way alter in any way the binding effect of the balance of the contract.

13. Should the buyer breach the contract in any way, the seller may pursue, at its election, any legal remedy available, and also be entitled to reasonable costs and attorney's fees.
